

## AHSAA Super Regional Lodging options of Troy

These are the hotels in the Troy area. When all of the hotels are booked, there are also first-class opportunities available through Troy University.

Troy University is pleased to offer housing again this year for the AHSAA Softball Super Regional Tournament.

To book accommodations for players and coaches on the campus of Troy University, please call 334-670-3203, or email Herb Reeves at [hreeves@troy.edu](mailto:hreeves@troy.edu).

The housing facilities on campus of Troy University are a suite-style setup with four players or coaches to be housed in individual bedrooms per suite. Players and coaches are responsible for bringing their own linens (sheets, blanket, pillow, towels, etc.) for a twin size bedroom setup.

The cost will be \$15 per player and coach. The University will have more than enough available lodging for players and coaches, and is a 15 minute drive from the Sportsplex.
